

Week Seven Verse - February 9-15, 2015

The verse to focus on for the second week of February is:

"If you believe, you will receive whatever you ask for in prayer." Matthew 21:22

Don't misunderstand this verse in thinking that *if* you believe, everything you ask for, you will receive. The verse is not a guarantee that we will get everything we pray for because God does not grant requests that would put us in danger, harm others or goes against His own will.

Our prayers and requests must be in sync with the principles of God and the stronger our belief, the more likely our prayers will be in line with God's will and more like our prayers and request will be granted.

There are MANY verses in the Bible about believing. Take a look in the back (or front) of your bible and look up the word Believe/Believing. I encourage you to MAKE time to look up verses and see what speaks to you. Journal, doodle or create based around what moves you.
