Week Four Verse - January 19-25, 2015

"LORD, teach me your ways, and I will live and obey your truths. Help me make worshiping your name the most important thing in my life. Psalm 86:11 (ERV)

This verse is in a prayer from David. Read Psalms 86 to read the entire prayer. Here is what my study bible says about this verse:

David requests "Teach me your ways" and "help me make worshipping you the most important thing" Each request has a God centered purpose: that we would "walk in Gods truth" and "fear Gods Name." No matter how well we know and follow God, we can always ask him to increase our awareness and improve our obedience.

A little something to do: I had never heard of the ERV (Easy Read Version) but I liked the way it read. This week I am going to encourage you to look up other translations and find which version you like. Go over to [BibleGateway](#) to look up the translations. Use the opposite page in your journal or the extra print out here to write different translations and then cut it out and add it into your journal.
