

January 2015 Week Three

The focus word for this month is Truth

Please note: Because the first of January fell on a Thursday of Week One, we continued to use the same verse for Week Two (Jan. 5-11)

The second verse of the month is from the book of Psalms, chapter 25, vs. 4-5 For all other translations of this verse, please check out [BibleGateway](#) for TONS of great information.

"Show me your ways, Lord, teach me your paths. Guide me in your truth and teach me, for you are God my Savior, and my hope is in you all day long." Psalms 25:4-5

"...guide me in your truth..." When we are willing to seek God, learn from His Word and obey His commands, then we will receive His specific guidance.

- Are you willing?
- What is holding you back?
- What do you have to loose?

Take a little time to ask yourself these questions and then be quiet for a bit. Maybe journal your thoughts on the page adjacent from your calendar page or add a tip in to the page and write down your thoughts there.

Make note of the date too and then watch how God is going to work in your life this year.

The questions above are just suggestions and it does not mean you have to do it or anything that I am doing. Reflect on this anyway you wish and never feel like you have to share. This is a personal journey and a relationship between YOU and Jesus. Nobody else.
