

The Focus word for July is Authenticity

The verse for week 31, July 26 - August 1

This week I want to take a closer look at the word Authentic/Authenticity. Here is 1 (of many) definitions from the Merriam-Webster website:

Authentic: true to one's own personality, spirit, or character

Here are Synonyms:

accurate
original
Legitimate
dependable
true
pure
reliable

Here are some antonyms:

false
doubtful
fake
corrupt
untrustworthy
counterfeit
unreliable

As I typed out each list above I realized that I could replace the word synonyms and antonyms with How we need to be & How the world creates us to be. Does that make sense to you? If you find yourself struggling with doing the right thing, doing the wrong thing and knowing the difference but still arm wrestling with being the YOU God made you to be verses the YOU that the world seems to push you to be...

..you are not alone. Dang sin is always there.

For this week's verse, look up Romans 7:19. Also consider looking up the verse in different translations as well as the definitions for all of the Synonyms.

Use this blank area to write your thoughts and to write down the different translations.
