

The Focus word for August is Faith
The verse for week 34, August 16-22

"Now faith is confidence in what we hope for and assurance about what we do not see." Hebrews 11:1

Faith is seeing from God's point of view. Faith is not a feeling, a desire or believing something is true that isn't. Faith is seeing with spiritual eyes. Ephesians 1:18 NLV says: "I pray that your hearts will be able to understand. I pray that you will know about the hope given by God's call. I pray that you will see how great the things are that He has promised to those who belong to Him."

Here is what happens when you have eyes of faith.

- Faith gives you a new point of view and shrinks my problems.
- Faith opens the doors for a miracle. Every time you stretch your faith, God does miracles.
- Faith moves God to act on my behalf. Jesus said "According to your faith, it will be done to you" Matthew 9:29 (I get to choose if God blesses my life)
- Faith gives me power to hold on during tough times. Faith doesn't take the problem away, it takes us through it.
- Faith turns God given dreams into reality. Nothing happens until someone starts dreaming. Eph 3:20 LB
