

The Focus word for August is Faith

The verse for week 35, August 23-29

"..According to your faith, it will be done to you"
Matthew 9:29

So what does that mean? To some it may seem a little threatening if you do not understand what it is all about. The New Living Translation helps you to understand what it means by using different words:

"Because of your faith, it will happen." Matt.9:29 NLT

What will happen?

This verse comes from a story where Jesus performs a miracle BUT He did not do it instantly. Two blind men were persistent in asking Jesus to heal them but He waited to see if they really had faith. Not everyone who says he wants help believes that God and/or Jesus can help them.

Jesus may have waited and questioned them to emphasize and increase their faith.

When you think that God is too slow in answering your prayers, consider that He may be testing you as He did the blind men.

God tests us and our faith through demands, difficulties, delays and detours and we often FLUNK the faith test because we hate to wait.

Are you flunking the test?

Remember this because it is important...

It pays to be patient because while we are waiting on God, He is working on us.
