

The Focus word for September is Practice
The verse for week 40 Sept. 27- Oct 3

"Everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock." Matthew 7:24 NIV

Reading, researching, remembering, and reflecting on the word are useless if we don't put them into practice. Sometimes we assume that just because we have heard, read or studied scripture, we "get" it but really, that is not always the case.

We can be so busy that we have no time to put what we are learning into action. We need to practice being "do'ers.

²²Do not merely listen to the word, and so deceive yourselves. Do what it says. James 1:22 NIV

I am going to throw myself under the bus here and say this week's verse (2 days late) really hits home. I need to be more intentional in my quiet time and practicing putting what I am learning into practice because when I don't, I am a "whirling dervish"

THIS WEEK:

Time to get serious. Reading, researching, remembering, and reflecting on the word are useless if we don't put them into practice.

What do you need to put into practice? Use the area below to make your notes, create in your planner.
