

The Focus word for November is Encourage  
Week 48 November 22-29

"And the Scriptures were written to teach and encourage us by giving us hope." Romans 15:4

We all need encouragement and reminders to not only read our Bibles but also make time to learn what we are reading. Knowing and understanding scripture affects our attitude towards the present and the future. The more we know about what God has done in the past, the greater our confidence about what is to come.

I encourage you to not only dig in deeper to what this week's verse is about but make a list of your favorite verses. In 2016 we will use more of our verses to study and create around.
