

January 2016 – Pray
Week Five Colossians 5:2

“Continue steadfastly in prayer,
being watchful in it with thanksgiving.”
Col. 4:2 ESV

If you have ever gotten tired of praying for someone or something you are not alone. This verse tells us to devote ourselves to prayer and to be watchful.

Being persistent is an expression of our faith and should not become weak when then answers come slowly.

When you become tired and/or impatient, remind yourself that God is present, listening and answering... Maybe not in the way that you had hoped for but in the ways that HE knows best.

The following is a scan of my actual notes about this. I am going to punch holes in the side and place it in my binder. Please feel free to print it out, trim it and use it in your planner/binder/journal as a reminder to yourself.
