

Trace around the lid and trim outside the line.

Once pieces are tacked into place remove lid ring and metal seal and stitch felt pieces into place using 2-3 strands of embroidery floss.

Center felt cutout on metal seal/lid and place outside ring on.

Flip over

Stitch all pieces into place.

Center felt pieces on and using a SMALL amount of glue, tack into place

Replace metal seal and ring, fill up jar with treats and tighten lid into place.

Canning Jar Toppers by Stephanie Ackerman
