

The Focus word for December is Imagine
Week 50 December 13-19

"Dear Children, let us not love with words or speech but
with actions and in truth" 1 John 3:18 NIV

IMAGINE: Peace on Earth

It is always a key phrase we hear during this time of the year but now more than ever (at least on our lifetime) we need it. We need Peace. Peace in our home, in our communities, in our nation, in our world.

So, how do we do that? Putting aside politics and opinions and all of the junk that goes along with that, we need to understand that it is not our responsibility to solve. What our responsibility is to do is SERVE.

When I say serve, I mean CARE "for" not just care "about" Here are some things we can do as we PRAY for Peace On Earth:

- We must pray more and blame less.
- WE should be raising our voices and speaking up for the oppressed
- We should be giving generously to those in need
- WE should be showing hospitality

Based on the list of things we "should" be doing, are we?

Are we doing what we can do, or are we just talking about what we could do and then going along with our lives?

This week, as we continue preparing for Christmas, I challenge you to MOVE.

When I say MOVE, I mean to "do" something.

If you can't get out physically to "do something" what you can do it PRAY.

"Dear Children, let us not love with words or speech but
with actions and in truth" 1 John 3:18 NIV
