

SERVE

June 2016 - Serve
Week 24 June 5-11

Verse: "Be sure to fear the LORD and serve him faithfully with all your heart; consider what great things he has done for you. 1 Samuel 12:24

Notes:

Reflections on things allow us to focus our attention on Gods goodness & strengthens our faith. Sometimes we are so focused on the future that we fail to remember what God has already done. We are to serve God and serve others. Before we dive deeply into serving others, let's remember to serve God first and remember what He has already done for us so that we can move on with gratitude and service for others.

This week as I read the verse, read the notes on the verse and thought about how I was going to prepare this message, I had a lightbulb moment. I often refer to how God talks to me as "Light Bulb moments" and wanted to remind you to write things down as they come to you. For several years I have offered what I call "Binder Notes" as downloads for my blog readers. I created them because for me, I don't remember things unless I write them down and then it dawned on me that I needed to do just that, write things down.

Whether you have a planner, a binder or a file folder, this week, consider printing this out and placing it somewhere where you can write down some of the things that God has done for you.

"Be sure to fear the LORD & Serve Him FAITHFULLY
O with all your HEART;
CONSIDER WHAT Great things He Has done FOR YOU" 1 Sam. 12:24
