

July 2016 - Patience
Week 28 June July 3 - 9

Verse:

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. 1 Corinthians 13: 4 NIV

Notes :

As I was preparing this, the first three words of 1 Cor. 13 reminded me that PATIENCE is KEY to everything and everything is based around...LOVE.

It is not that I did not already know that but I think we typically look at this chapter of the book referring to it as all about "LOVE"

Today, I read it differently and think it says something when the very first thing it says is..

Love is PATIENT.

TRUTH- I am not the most patient person which probably means I do not love well.

Ugh. The truth hurts BUT this is how I learn and WHY I document my faith. It helps and reminds me of what it is I need to work on and what happens along the way of growing spiritually. There is no way around it but to be patient.

I think I just found my word and topic for DF 2017.

Love is **PATIENT** love is kind.
it does not want what BELONGS
to others. It does not BRAG.
it IS NOT PROUD. **1 COR. 13:4**
