

July 2016 - Patience  
Week 32 July 31-Aug 6

Verse: May you be strengthened with all power according to His glorious might for all endurance and patience with Joy" Colossians 1:11

Notes:

I would like to place an order for an extra-large serving of PATIENCE with a side order of JOY. How about you? Man oh man, patience is hard. I mean, I have patience when it comes to little things like waiting for water to boil, paint to dry..or do I?

Although this is the last "week" we will focus on PATIENCE in Documented Faith, I seemed to have opened a big ol' fat can o' worms with PATIENCE and my journey of being practicing patience is far from over.

How about you?

How are you doing with practicing PATIENCE?

What have you learned about yourself in the past month focusing on the word PATIENCE?

Consider printing this out, adding your own detail and inserting it into a planner, binder or use Washi Tape to add it into your Journaling Bible.
