

The Focus word for November is Encourage
The **verse** for week 45 Nov. 1 - 7

"And let us consider how we may spur one another on toward love and good deeds." Hebrews 10:24 NIV

It is really important to have a small group to pray with and for, to learning how to love others, to create with (duh!) to encourage and help each other. True friends bring out the best in each other. They encourage & motivate one another to reach their goals.

In my message notes from a few years ago, I learned the saying, "When you run alone, you run fast. But when you run together, you run far." We are better together and we must take time to encourage one another in the many things we do.

In preparation for Documented Faith 2016, I want to ENCOURAGE you to start praying and thinking about forming a group that you can meet, create and pray with. There are a few things I ENCOURAGE you to think and journal about on the next page.

We all have different strengths when it comes to encouraging others. What are your strengths and what are some ways you can encourage others?

If you have a group of friends that gather together to create, study, do Bible Journaling, etc. GREAT, keep gathering together. If you don't have a group and want to start one, start thinking and praying about it.

Do you have friends in your creative circles that you gather with to work on Documented Faith together? Pray about WHO you might want to include in a group.
