

May 2016 - Acceptance
Week 21 5/15-5/21

"What I'm about to tell you is true," he continued.
"A prophet is not accepted in his hometown."
Luke 4:24 NIRV

Even Jesus was not accepted as a prophet in his hometown.
Do not be surprised if your life and faith are not easily understood or accepted by those around you or know you well. Because they may know your background, your failures and faults, they may not be able to see past those to the person you have become.
Let God work in your life, pray to be an example of Him to others and be patient.

Remember this: Not everyone will accept you and it is okay. The only one you have to be concerned with already does.

Yay, thank you and amen!

Consider printing this out a few times and stick them in your wallet, bag, binder and planner to give to people who need the reminder.
