

November 2016 - Hospitality
Week 46 Nov. 6-12

Verse:

"Share with the Lord's people who are in need. Welcome others into your homes." Romans 12:13

Hospitality differs from social entertaining. Entertaining focuses on the host, the home, the food and hospitality focuses on the guests and their needs. Practicing hospitality isn't about big beautiful table settings or overflowing platters of food, it is about loving people and making them feel special.

Hospitality can happen in a small home, a messy home, around a small table or with just a bowl of soup. Do not hesitate to offer hospitality because you are too busy, too tired or don't have enough money. When we open our hearts as well as our homes, we are practicing hospitality. We have the opportunity to touch lives in a personal way. As Christians, we are "God's workmanship, created in Christ Jesus to do good works" As followers, we are to emulate His love and compassion when we show hospitality, not only to others Christians, but to strangers and the less fortunate. We honor God when we are kind to the needy.

Print this out or trace it onto another piece of paper, add color and add it into your binder, planner, art journal or Bible. I would love to see what you create so if you post it to any social media streams, please use the hashtag #documentedfaith.
